Parker is a cook at a hotel near a lake in the mountains. He usually finishes his work at one in the morning and walks home with Bill, who also works in the hotel.

One night, he worked late and went home by himself. It was a clear night without a moon. When he was walking along the lake, something was shining on the lake. He looked at it for a while. Then it started moving slowly! He hurried home and got his camera to take a picture of the strange thing. But when he returned to the lake, it was gone.

The next day he told Bill about it. Surprisingly, Bill said, "Wow! I saw the strange thing, too."

Now they always carry cameras, but they haven't seen it again.
