□7 次の英文を読んで、a～eについて本文の内容と一致するものを①～④の中から1つずつ選びなさい。

Asher Jay is an artist, writer, and *¹activist. She uses her art to tell people about problems that have an effect on animals around the world.

She has loved wildlife since she was a child. As a girl, she often found sick animals and brought them home to care for them. Her mother taught her that all life has a right to exist.

Now, working as an artist, everything Asher does in her creative work is to help protect nature. For example, she spent two months traveling in Africa, and she collected *²garbage on her travels. She took the garbage back home and used it to create artwork about how the growth of human cities is having an effect on wildlife. As well as paintings, she has created *³animated films about pollution in the oceans.

Asher loves what she does, but working with nature can still result in unexpected and dangerous experiences. One night, while she was in Africa for work, she woke up and heard lions walking around her tent. Asher was frightened, but the experience was still valuable. “Nature is a teacher,” she says, “and the learning never stops.”

*¹activist : 活動家 *²garbage : ゴミ *³animated : アニメの
