*¹Subject: Your visit to Japan

Hi, Olivia,

I'm so excited that you'll come to Japan in a week! It has been three years since I stayed at your home in Australia. My brother, Ken, will meet you at Narita Airport. He's seen you on our video calls, so he'll find you. It's a pity that I can't go there because I have an important English test at my university that day.

It should take about an hour and a half to get to our house. You'll take a bus and a train. I wish Ken could drive you, but at least he can carry your suitcase.

You're coming to Japan in the best season! You'll enjoy seeing the cherry *²blossoms. During your one-month stay, I'll take you to any place you want to visit. I know you're a big fan of Japanese culture. I've already gotten tickets for a *kabuki* play. Your room is Japanese-style. You'll sleep on a *futon* that you've been wanting to try.

Have a happy safe trip!

Mariko
